School Liaison Officers connect educators with the deployment support system to inform them about the cycles of deployment and the tools available to assist educators in working with military children.
- 3. Command, School & Community Communications:**
School Liaison Officers serve as subject-matter experts for installation commanders on K-12 issues, helping to connect command, school and community resources.
- 4. Home School Linkage and Support:**
School Liaison Officers assist military families by gathering and sharing information on home schooling issues, policies and legislation from local school districts, and help leverage Child and Youth Program resources to support these families.
- 5. Partnerships in Education (PIE):**
PIE creates a volunteer network of resources to support installation and community members who have a vested interest in the success of all youth.
- 6. Post-Secondary Preparations:**
School Liaison Officers leverage installation and school resources to provide graduating military students with access to post-secondary information and opportunities.
- 7. Special Needs System Navigation:**
